The Henderson Park Inn - Voted #1 Most Romantic Hotel

The ultimate honeymoon destination is only a short drive away in Destin, Florida. The Henderson Park Inn has an adult only policy making it a couples' favorite for their first days of forever. The Inn has claimed accolades such as About.com Reader's Choice contest naming the Inn the #1 Most Romantic hotel in North America and #2 Most Romantic Hotel in the World. TripAdvisor.com readers also tapped the Inn as #1, and is ranked among the Top 15 Hotels for 2018.

Guests are greeted in their room with romantic music, a bottle of wine, a vase of roses, as well as grapes, and gourmet chocolates. The Executive Suite and Presidential Suite are popular choices, but the Corner Suite, with

its breathtaking panoramic view of the Gulf of Mexico, is ideal for newlyweds. From your balcony, you may witness a wedding—the Inn is known for their private slice of beach where “beach music” sets the tone for nuptials. The Inn's expert staff executes the details to perfection.

When booking your honeymoon, consider the over-the-top complimentary perks that come with your lodging such as a delicious gourmet breakfast prepared by acclaimed chefs, and guests are provided with boxed sandwich delights for lunch. For an invigorating excursion, pedal through the expansive Henderson State Park on the Inn's complimentary bikes. Refreshments will be waiting when you return and check out the fully stocked community fridge.

Additional Amenities and Exceptional Dining

The Henderson Park Inn guests now have access to a full array of wonderful amenities next door at their sister property, The Henderson, a Salamander Beach & Spa Resort. Here, swim at The Henderson's Adults Only Pool, which features luxury cabanas with poolside beverage service. Take time to indulge in the spa's intimate couples' massage. Complimentary beach services include chairs, umbrellas, and towels throughout your stay at the Inn. When not romping along the water, spend time in the swing on the veranda simply "gulf watching."

For an exceptional dinner, make reservations at the Henderson Park Inn's restaurant, Beach Walk Cafe. Indulge in romantic waterfront dining that has been selected as one of the top 100 most romantic restaurants in the United States by OpenTable. For the most romantic dining on the gulf, reserve Beach Walk Cafe's "Toes in the Sand" dining experience with a private table at the water's edge complete with a dedicated server.

Walk hand in hand along this private white-powdered sand beach with the one you love—taking time to understand the receptiveness of water overlapping sand is an adult lullaby. The

Henderson Park Inn is a paradise-like atmosphere where your new adventure of Mr. and Mrs. begins. Here, the emerald, crystal-clear gulf waters cast complimentary bits of dancing, colored layers—shimmering reflections of one of the world's most beautiful beaches. The last hurrah...that would be admiring the swollen sun dropping into infinity in the distance. Stay until the fading streaks of light set the Henderson Park Inn aglow—changing the gray cedar shake shingles to a golden hue for a few moments. This is the "romance zone," a place and time that is hard to duplicate, but you can try again on your first anniversary.
